New patient appointments available from February!

Dr Yasmine Medunic is a Consultant Psychiatrist and a Fellow of the Australian and New Zealand College of Psychiatrists (FRANZCP).

Dr Medunic provides patient-centred care focused on symptomatic, functional and personal recovery. She accepts referrals for adults from all walks of life. She provides treatment for people experiencing a wide spectrum of mental health conditions including mood, anxiety, psychotic, behavioral, stress and trauma related disorders.

The initial assessment usually occurs over 1-2 sessions to best help Dr Medunic determine her patient's treatment needs.

Special interests;

- General adult psychiatry
- Mood disorders
- Anxiety disorders
- Psychotic disorders
- ADHD and other neurodevelopmental disorders
