Dr Rich is a Consultant Psychiatrist, Fellow of the Royal Australian and New Zealand College of Psychiatrists (FRANZCP) and Accredited Member of the RANZCP Faculty of Adult Psychiatry. She holds a Masters of Psychiatry from the University of Melbourne.

After working in the Australian public mental health sector for eleven years, Dr Rich joined Pine Rivers Private Hospital providing both inpatient and outpatient care for adults aged 18-65 years.

Dr Rich recognises that optimising treatment and maintaining mental health often involves a multifaceted, holistic approach and works to develop collaborative treatment plans that are tailored to individuals, their situation and recovery goals.
